Tray

Cutlery

40 knives

90 dessert spoons

150 forks

30 teaspoons

Originally a Baptist chapel, the village hall dates back to 1884.

Sitting on the edge of the moat to a Norman castle, the hall has views across the castle wall to distant fields.

Magnificent timber king trusses and tall round-top windows bring an

elegance and warmth to the hall. The simple proscenium frames the compact stage and is a splendid feature of the hall.

Although an historic building, there have been continuous

improvements to comply with recent access and safety legislation.

Services include:

Double height main hall with infra-red wall heaters.

Ten 915 x 760mm and ten 1830 x 760mm collapsible buffet tables.

100 chairs available.

Stage with 2 spotlights, electric sockets for lighting and/or sound rigs Kitchen with fridge, microwave, electric cooker, double sink and

a small rinsing sink.

Hot water urn, filter coffee machine and two kettles.

Use of all crockery and utensils (see left).

Cloakroom hallway with coat hooks.

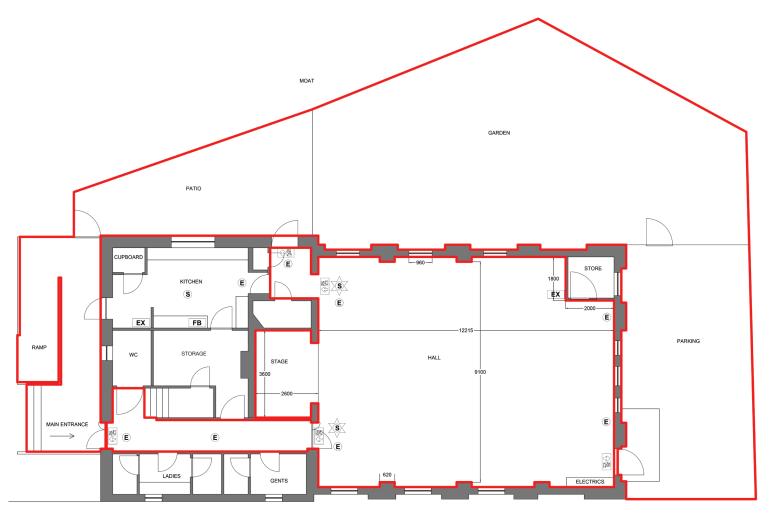

Ladies, gents and disabled toilet facilities.

Paved enclosed patio and grassed area suitable for marquee.

Car parking for 7 cars at front and back of building with more available

in Pyes Lane and at the castle car park or village centre.

Accessible slope access to both front and rear of the building.

Castle Acre Village Hall Final Check List

Location

Castle Acre lies four miles north of the town of Swaffham, twenty miles from Norfolk's north coast, thirty three miles west of Norwich and fifteen miles east of King's Lynn.

The nearest train station is either Downham Market or King's Lynn, both a 20-25 minute drive with direct services to/from London's King's Cross. There is a regular bus service from King's Lynn to Swaffham.

	se make sure that the hall is left clean and tidy se tick this checklist on departure and leave in the kitchen postbox
